## Welcome!

The Hope Center for Kids is so excited to be in Fremont and launch our After School Program!

Our mission is to inspire hope in youth and children through education, employability, collaboration and faith.

We believe that if your youth participates in our program, there will be no limits their future!

## Enrollment

To enroll your youth you will need to fill out and sign the appropriate enrollment form. Once that is filled out they can be a part of the program. We would love to meet you and have you learn more about what your youth will be doing when with us!

## Fall Program

Fall programming starts **August 18th** and is available for youth in **grades 5-8th.**

## Transportation

Since we are starting off in the Nazarene church, your youth can walk to us after school. We will have bus transportation at 6:00 p.m. each night to take them home. The buses will drop off at Washington, Davenport and Meadowbrook. You can also pick up your youth at any time.
