Congratulations to our 2017 Graduates!

Joey Ennen

Joey was born in Minnesota and attended school there for Kindergarten and moved to Nebraska in first grade. He has always been active in the church in elementary and also doing sports at the YMCA. He enjoyed Youth Club with his friends and Joy Jensen in middle school and his early high school years. Joe enjoys buying and selling vehicles. He loved to work on anything with wheels and a motor! Joey is interested in pursuing a career in welding and has taken classes throughout his senior year at Metro college.

Brittney Gier

Brittney was born in St. George, Utah. In Utah she was involved in Ski Club, Bowling Club, Ceramics Club and Beading Club. Brittney is a great lover of the arts and she has been studying dance since she was five years old. She has studied jazz, ballet, tap, musical theatre creative movement, hip hop, modern, lyrical as well as voice. She has been actively involved with the Young American Summer camps since 2012.

At Fremont High School Brittney has been active with school plays, choir concerts and school talent shows. She is a member of Thespians, Book Club, Diabetes Awareness Club, Teammates and SPS. This year she received the Teen Cosmopolitan of the Year Award! She plans to attend Midland University in the fall and major in either the arts or elementary education with a minor in social work.

Sam Martinez

Sam grew up in the country outside Fremont and he spent the majority of his time outside with his two brothers. Sam is kind, in the truest sense of the word, and he has a servant's heart. His faith in the Lord is strong, and personal. Sam attended Fremont Public School and graduated early this past December. His intelligence and artistic ability are natural. However, his self-driven determination and power of will are quite intentional. He plans to continue his education after high school. His goals are high, and include serving others by volunteering his skills.

Kallin Sheppard

The most important things to Kallin are: God, her church family, her family and friends, school, and athletics. At Fremont High she has been involved with: volleyball, basketball, track, student government, letter club, National Honor Society, S.O.S., band (concert, symphonic, marching and pep), choir (junior varsity and varsity), musical, intramural volleyball, Rising Educators and dance at Lackey Dance Studio. After graduation she plans to attend Missouri Western State University and major in Elementary Education. She will also continue her track career as a thrower.
